

Reda Maher

Front end Developer

redamaher6020@gmail.com • 01550844370
6October, Egypt

Experienced Web Developer adept in all stages of advanced web development. Knowledgeable in user interface, testing, and debugging processes. Bringing forth expertise in design, installation, testing.

I also have knowledge of solar energy, as I work for Stellar, a solar water heater company, and I personally build the heater from A to Z.

Professional Experience

Reda Maher (RABYOO), 6October
Front-end Web Development

- Developed a secure, interactive web application with a modern front-end framework and an intuitive user interface
- Created a reusable component library for the web application using React and Next.js Material, resulting in faster development time for new features
